Ladies and gentlemen.**

My name is Nakandi Christine. I am in primary seven. I am 13 years old. Let me first thank the Master of ceremony who has given me this opportunity to stand here. On behalf of the pupils, I thank Matilda and Linus and other volunteers for the wonderful work they have done for us. We manage to eat, sleep and learn because of you. Many big girls and boys are at school with your effort. I would like to ask every one gathered here to give you a very big clap and I also thank Mr. Mutesasira and Madam Getrude for guiding us. They have been with us since this school started and up to now they are still with us. Again I will request everybody gathered here to give them a very big clap as a gift of thanks. I humbly submit my thanks to the following people;

1. The guest of honor present,
2. All religious leaders
3. All the guardians and parents around
4. All the visitors from Sweden present and all the volunteers that have been coming to school for the great work they have done for us. They have protected us, helping us to get good future.

We greatly thank his highness Ronald Muwenda Mutebi II the Kabaka of Buganda who came to our school on 20th October, 2012. We will never forget that day. It was a very wonderful day because in all the schools in Masaka district he decided to visit our school. If I start thanking and talking about their love I can talk until tomorrow.

Appeal: I appeal to all my fellow pupils to work hard and study well so that we don't lose our given chance.

Promise: on behalf of all the pupils we promised to work hard so that we become good citizens of Uganda before I leave again I request the pupils of Ssenyange to give Matilda, Linus, Mr. Mutesasira and Madam, Getrude great thanks and well know that all of them God will give them a place in heaven because we have learnt many things from their love sharing et.c. Thank you very much.

May God Bless You All
Nakandi Christine
